

new arrivals

Drawing inspiration from the bold style of Invisible Blue marble with distinctive blue-grey and copper veining, the 4D TRANSCENDENT WHITE 40x40 is a chic and distinctive alternative to traditional marbles. Featuring a soft matte finish and embossed texture to replicate the look and feel of real antique finished marble, This is elegant and stylish. Pair with warm woods or cool concretes for a sophisticated living space.

launch party

Our launch party to celebrate the opening of our new state-of-the-art showroom in the Castlefield Design District.

Thank you to all our family, friends, colleagues, and associates who attended.

Special thanks to all of you

You all made it an amazing night!
